LB 102, 103

PRESIDENT: We have a couple more bills coming in and then we will get to Speaker Marvel.

CLERK: Read LB 102-103 by title for the first time as found on pages 118-119 of the Legislative Journal.

PRESIDENT: All right that gets all the bills that have been brought up to the Clerk's desk. The Chair recognizes Speaker Marvel.

CLERK: Mr. President, again I remind the body that Senator Fowler would like to have the Retirement Committee meet underneath the North balcony upon adjournment.

SPEAKER MARVEL: Mr. President.

PRESIDENT: Give the Speaker your attention.

SPEAKER MARVEL: Rather than adjourn I think we will go down to Room 1520 with the chairmen and proceed with our discussion on rules. One of the things that stymies us at the moment is the fact that we haven't arrived at that consensus and that we be in recess and then we will come back, hopefully this afternoon, with some solution.

PRESIDENT: Do you want to make a motion then to recess until a time certain?

SPEAKER MARVEL: Well I move that we recess until three o'clock and I am calling the chairmen into special caucus in Room 1520 immediately.

PRESIDENT: All right, the motion is to recess until 3:00 p.m. this afternoon. Any discussion? All those in favor of recessing until 3:00 p.m. signify by saying aye, opposed nay. We recess until 3:00 p.m.
